

Karuna Signals Starter (sample): United States · Recently funded

559 signals in the 2026-10 file · this sample shows the newest 12

Signal	United States
Recently funded	559

- SAMPLE: top rows only. Data as of 9 Oct 2026; pulled monthly, not a real-time feed.
- Company-level data only: no person names or contacts. Growth = 1-year headcount growth (200%+ shown only as "200%+ (estimated)").
- Full files: every row as CSV + Excel (+ JSON feed on Agency), emailed monthly, with a Monday email carrying one weekly batch.
